# Meet the Needs of Today's Learners With D2L Brightspace

Colleges are diverse institutions. With programs ranging from nursing to trades to business and every discipline in between, they can be challenging places to deliver programming that meets the in-person, online and access-anywhere expectations of modern learners. Provide exceptional and captivating learning experiences that meet the needs of all your learners with Brightspace.

## Unlock Learning Potential With Powerful Brightspace Tools

### AWARDS, BADGES AND CERTIFICATES

Offer micro-credentials, bite-sized content and reward outcomes with built-in badging. Issue merit-based awards as learners progress through material.

#### CONTENT

Create content quickly and easily with drag-and-drop tools and content templates. Brightspace works seamlessly with Google Docs™ content, YouTube™ videos, web links and more.

#### **INTELLIGENT AGENTS**

Deliver personalized feedback to keep learners motivated, on track, and engaged with automated nudges.

#### **LEARNING PATHS**

Enable flexible learning online—in person, asynchronously or synchronously. Deliver guided learning by grouping multiple courses into an easy-to-follow path.

#### **RELEASE CONDITIONS**

Provide personalized support to learners by automatically releasing enrichment or remediation content based on achievement.

### **VIDEO NOTE**

Record personalized, closed-captioned videos and add them anywhere where the Brightspace Editor is available.
